

REGULATIONS

1. ORGANIZATION AND GENERAL INFORMATION

Leopodistica ASD (Amateur Sports Association), in collaboration with Seniobike ASD and Outdoor & Trekking Store Ravenna-Faenza, organizes on Friday, October 30th and Saturday October 31st 2026 in Palazzuolo sul Senio (Florence) the 13th edition of "Trail del Cinghiale", a mountain race trail in semi self-sufficiency in water and food with an itinerary in the Apennine.

"Trail del Cinghiale" will take place over four distances:

- 100k: distance of 99,7 km with a vertical gain of 5091 meters - 4 ITRA points - Qualifier 100K
- 50k: distance of 50,87 km with a vertical gain of 2814 meters - 3 ITRA points - Qualifier 50K
- 35k: distance of 34,95 km with a vertical gain of 1789 meters - 2 ITRA points - Qualifier 50K
- 20k: distance of 19,99 km with a vertical gain of 1041 meters - 1 ITRA points - Qualifier 20K

Distances and gradients have been detected using maps of the territory and with the aid of GPS equipment, so there might be differences in measures taken with other devices due, for example, to differences in calibration.

All traces have been certified by ITRA (International Trail Running Association).

2. PARTICIPATION REQUIREMENTS

The race is open to all athletes, women and men, born in 2008 or earlier, that is athletes at least 18 years old or that will turn 18 by 2026 for those who want to cover the 20km distance, while all those who want to cover other distances must be born in 2006 or earlier or be at least 20 years old by the year 2026 (as per UISP regulation for competitions longer than of 21.097km).

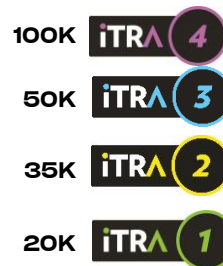

The race participation requires special skills: experience and knowledge of the mountain environment, especially of the Apennine environment, as well as orientation skills, ability to follow a trail, facing unexpected problems typical of the natural mountain environment (such as a thunderstorm, reduced visibility or darkness, etc.), excellent training and appropriate clothing for temperatures that can range from -10°C to +20°C.

It is recommended to have recently taken part to other mountain races with similar characteristics.

"Trail del Cinghiale" will take place in accordance with these regulations and UISP Regulations, and any changes and/or directives adopted by the organization, even at the last minute. Any notice will be available on the website and through the event's social channels.

By presenting themselves at the race start, athletes confirm that they are in such a physical and mental conditions so that they can face the race; to be documented and aware of the risks and difficulties that the itinerary implicates; to have taken note of the length of the itinerary; that they are not aware of any previous medical condition, or of injuries, that could put them at risk during the event; to have communicated to the race doctor any health information and/or pathology that could increase the risks during the event.

Athletes accompanied by animals are not allowed.

3. RACES' REGISTRATION

Only athletes with a sports medical certificate for competitive Track and Field can register (certificates bearing different indications will not be accepted) valid on the date of the race or at least until October 31st, 2026 can register for the race

Registrations from athletes who are serving disqualification for the use of doping substances will not be accepted.

Registrations will open on April 5th, 2026 and will bindingly close on October 22nd, 2026 or upon reaching the maximum number of participants (1250 athletes), divided as follows:

- 100km max 150 athletes
- 50km max 350 athletes
- 35km max 350 athletes
- 20km max 400 athletes

Any changes to the total number of athletes and their distribution may be made by the organization itself at its complete discretion or according to more restrictive rules in force on the date of the event.

Upon reaching the maximum number of athletes, the organization reserves the right to open a waiting list: the access procedures will be communicated via social media.

Registrations could only be made online by following the instructions that will be published on the event website (www.traildelcinghialerace.com) and on all the organization's social channels.

Participation in the competition implies the unconditional acceptance of all the above mentioned regulations by the athletes.

8. DEPARTURE TIMES

Departures are scheduled in Palazzuolo sul Senio (FI) in piazza E. Alpi at the following times:

- 100K - Friday, October 30th at 10:00 PM
- 50K - Saturday, October 31st at 06:30 AM
- 35K - Saturday, October 31st at 07:30 AM
- 20K - Saturday October 31st at 09:30 AM

Before departure, each athlete must pass under the starting arch to record his departure registration. Checkpoints will be deployed along the course.

9. BRIEFING

Upon collection of the bib number, each athlete will be provided with a document stating the important guidelines to be taken into consideration for the safe conduct of the race.

All athletes must show up in the starting area 15 minutes before the scheduled starting time for their race.

Before the start, both the briefing and a sample check of the mandatory material will take place for the athletes participating in the 35km and 20km races.

10. RACE ITINERARY

The routes will be marked with flags and refractive arrows visible also at night. There won't be any distance markers, therefore it is recommended to properly study the road book prepared by the organization.

Participants must strictly follow the competition itinerary and in case they won't see any sign for 300 meters, they will have to get back on the course path, where they left it.

Leaving the official course itinerary will be at the sole risk and danger of the competitor and it will cause immediate disqualification.

It is strongly recommended to use a GPS device and to follow the racetracks made available to athletes by the organization.

Athletes won't be provided with any printed copy of the route map, roadbook, or track.

11. MAXIMUM TIME LIMITS AND TIME GATES:

On the courses there are "time gates" placed at the exit of the refreshment point. For the 100k distance, a time gate will also be set up at the entrance; athletes who arrive at the time gate after the time limit will be stopped and will not be able to continue the race. It is not allowed to get past the time gate and then go back to enjoy the refreshment.

Below the maximum times and time gates for the different distances:

	Maximum Time	Time Gate	Time Gate	Time Gate

REMARK: Please refer to the tracks published on www.traildelcinghiarace.com and on the ENDU platform in order to get the exact location of the time gates.

At the bib number collection, the athletes involved in the 100km distance will be provided with a bag where it will be possible to store spare clothing to use at the "base life" station (inside the race package they will receive a second sticker to mark this bag). The bags must be delivered to the area indicated at the time of pick-up of the bib.

It's recommended not to leave any valuables inside the bags. The organizers accept no liability for any theft, loss or damage of bags or their contents. Nothing is allowed outside the bags which, in that case, cannot be accepted.

12. REFRESHMENT POINTS

Athletes run in semi-self-sufficiency with the obligation of water supply.

Refreshments with solid.

Refreshment points are indicated in the tracks made available on the website and on the ENDU platform.

13. CHANGING ROOMS and SHOWERS

At the end of the race, it is possible to use changing rooms and showers; search it on the map with event information.

14. BANS AND PENALTIES

The following infractions will lead to a ban:

- failure to pass through a checkpoint
- shortening the race course
- littering along the course
- failure to assist another competitor in difficulty
- insults or threats to organizers or volunteers
- refusal to allow the check of mandatory material
- lack of parts of the mandatory material
- leaving some parts of the mandatory material on the route
- inappropriate behaviour in compliance with health guidelines
- assistance from third parties (companion, family members, etc.)

15. COURSE OR TIME BARRIERS CHANGES

The organization reserves the right to modify at any time the course or location of the rescue stations and refreshment points, without prior notice.

In the event of bad weather conditions, or for safety reasons, the organization, in collaboration with the judges of the competition, reserves the right to suspend, interrupt or modify the race itinerary or change the time barriers.

Every decision taken by the organization and the jury of the race is unquestionable.

16. RACE CANCELLATION

In the event of public order and/or health reasons, or due to the imposition of the authorities or adverse weather conditions (such as heavy fog, snow, strong storms, etc.) that may endanger the safety of athletes, the organization may, at its sole discretion, suspend or cancel the race. The suspension or cancellation of the race will not entitle the athletes to any refund of the registration fee.

If the event is cancelled and communicated within 30/09/2026, athletes will be refunded 90% of the registration fee, excluding administrative expenses (bank).

For cancellation from 01/10/2026 to the day of the race, athletes will be able to choose one of the following options:

- Request a voucher worth 70% to be used for the registration of the next edition of the competition;
- Request a refund of 50% of the fee paid, excluding administrative expenses.

17. SECURITY AND CONTROL

Along race courses there will be members of the organization and judges, constantly in contact with the race headquarters. Checkpoints will be set up along the courses to monitor the athletes' passages. Moreover, athletes' recovery service will be active. In case of any problems, participants must immediately inform about his withdrawal to the checkpoints or to the competition judges.

From the collection points/time gates, a shuttle service will be available to take the withdrawn athletes to the arrival area.

Cell phone coverage is not guaranteed throughout the area.

18. EMERGENCIES or EXCEPTIONAL EVENTS

These Regulations may be updated according to government, CONI and UISP regulations and provisions in force during the period of the competition to guarantee the maximum possible safety for the athletes and volunteers involved in the event.

Changes to these Regulations will be communicated to the registered athletes through the social channels of the event. Participation in the event will be allowed only to athletes in compliance with any provisions in force at the time of the competition.

19. ENVIRONMENT

Trail del Cinghiale has always been attentive to the protection and preservation of the territory and it supports the ITRA initiative "Be a Green Commitment event".

The race takes place in natural environments and protected ecosystems. Competitors must behave in an environmentally friendly manner, avoiding waste, collecting flowers, or harassing the fauna.

Anyone found to abandon waste along the course will be immediately disqualified from the race and will incur in potential penalties.

To reduce the environmental impact, no plastic glasses will be provided at the refreshment points, so each participant must carry an eco-cup or a glass to fill at the refreshment points.

20. RIZES

There are no cash prizes. Each competitor who will have completed the race within the time limit will receive the "finisher" prize.

The absolute first 3 men and first 3 women of each distance will be awarded.

Moreover, the first finishers of the following categories in 100km, 50km, 35km and 20km distances will be awarded:

- the first 3 men "under 50"
- the first 3 women "under 50"
- the first 2 men "over 50"
- the first 2 women "over 50"
- the largest group

Prizes not collected will not be sent.

21. CLAIMS

Any claim, accompanied by a deposit of 100.00 €, must be submitted within 30 minutes from the end of the race in writing and will be evaluated by the organization; in case of acceptance the deposit will be returned.

22. FRAUDULENT PARTICIPATION IN THE RACE

Anyone found participating in the race without a regular bib and registration, in addition to being considered responsible for damage to persons or property, including himself, will be subject to sporting sanctions by federal bodies and may face criminal penalties for the crime of "theft" (art. 624 of the Penalty Code).

23. IMAGE RIGHTS

By registering, the participants authorize the organization to use for free, without territorial or time limits, still and moving images that portray them during their participation in the "Trail del Cinghiale".

24. DECLARATION OF RESPONSIBILITY

Registration to the race "Trail del Cinghiale" and the consequent participation in the race implicate the acceptance of this Regulation and any of any changes that may occur.

The participant's registration exempts the organizers from any liability, both civil and criminal, for damages to people and/or things caused by or to any athlete.
